I am the parent of 5 boys, 2 daughters- Ages ranging from 34 to 4. My students have attended a total of 25 elementary, middle and high schools in this and other districts since 1986. I was involved in all of these schools, but most recently, as Chairperson of the San Diego Unified DAC for Compensatory Education.

I am the President of the California Association for Compensatory Education, a state wide parent involvement training association. It is on behalf of this organization (CACE), that I travel around the State giving training workshops for parents regarding various parent involvement subjects.

I am a member of the SSC at Taft Middle School. I have been a member of various SSC's since 1995. I have built working relationships with District, State, and Federal Education staff members in an effort to inform myself, and to support Parent Involvement in the San Diego Unified School District.

I currently have a daughter about to start Pre-school, a Granddaughter attending Cubberley Elementary, a Grandson at San Diego High School and a Granddaughter at Einstien Academy. My college education is in computer programming, accounting, and business administration.

I receive no income from the district.
