

How to Identify FOSS Kits at Your Site

- Log into <https://destiny.sandi.net> at your site
- Click onto ***Textbook View*** in upper right corner
- Click on the ***Circulation*** tab
- Uncheck the ***Only my patrons*** box
- Type in your site name followed by the word Science (i.e., ***Adams Science***)
- Click ***Go***
- Click on the name (i.e., ***Adams Science***)
- View or print the list of FOSS kits checked out to your site (overdues come up first in the list)
