

Warning

Pesticide Treated Area

In conjunction with its Integrated Pest Management Policy, San Diego Unified School District routinely uses natural, environmentally friendly and child safe methods to resolve pest problems. Occasionally, there are infestations that require aggressive, traditional approaches. This is one such time. The following information is posted for your consideration and safety.

Danger

Warning

Caution

Product Name: _____ Active Ingredient _____

Manufacturer's Name: _____ EPA #: _____

Date of Application: _____

Areas of Application: _____

Reason for Application: _____
