## **FAQs**

### **What is included in the club lunch menu?**

There are two options for the club lunches available as one day templates that can be dropped in site production.

**'Club Lunch Menu, Cold 9-12'** -- Turkey & Swiss on Crostini, Baby Carrots and Ranch, Fresh Fruit Selection, and White or Chocolate Milk

**'Club Lunch Menu, Shelf Stable 9-12'** -- Roasted Red Pepper Hummus Dipper, Tortilla Chips, Colby Jack Cheese, Baby Carrots and Ranch, Fresh Fruit Selection, and White or Chocolate Milk

Students can select from both options. For example, a club could order five turkey sandwiches and five shelf stables instead of it being all one type.

### **Are substitutions of items allowed?**

Substitutions of items are only permitted for students with special diets currently on file.

### **How do I package the food?**

All menu components should be packaged in a clam shell, except the milk, which you will provide in bulk per the amount indicated on the order form.

### **Who is responsible for getting the meals to the classroom?**

The meals will be picked up from the kitchen/cafeteria by the requesting student club member at the time and date designated on the order form. All meals should be picked up at one time. All students receiving the meals do NOT need to be present at time of pick up.

### **How do I claim the student meals?**

Claim meals as usual using by looking up the names provided on the sign-up sheet and entering them in by their PIN numbers -- charge as a regular lunch at Non Provision schools or by bulk at a Provision school.
